Review on the Budget Estimates of Sringeri Town Municipali for the year 1951-52

The Budget estimates were received on 20-12-51 in this office long after the due date, after issue of several reminders The delay in the submission should have been avoided

2 The Budget estimates for 51-52 anticipate an income of Rs 13,305/- and provide for an expenditure of Rs 13,497/- (including Debt Heads) as against ~~Rs 12,248~~ Rs 12,405/- and 13,581/- respectively in the sanctioned estimates for the year 1050-51 and Rs 19,597/- and 13,644/- in the revised estimates for the year 1950-51 The increase in income in the revised estimates is mainly due to the fact that a grant of Rs 5,000/- was sanctioned by Government, under Town Improvement grants and slight increases under octroi and the Debt heads

3 The Budget Estimates as proposed by the Municipal Council, may be sanctioned with the deletion of a sum of Rs 15/- provided for, on the expenditure side, under E Public Health and convenience, 2 Conservacncy and Sanitation - C other charges - Repair of carts, as no explanation is given for the provision

4 The Receipts and expenditure under Broad Heads will be as noted below -

Budget head	Receipts	B Head	Expenditure
A	12,305	A	2,086
B	10	B	1,247
C	240	C	
D		D	900
E	150	E	5,476
F	600	F	3,045
		G	128
Total	13,305	H	
Opening Balance	10,532	I	600
Grand Total	23,837	Total	13,482
		Closing Balance	10355
		Grand Total	23,837

The Normal income of the Municipality is Rs 12,705/- and the Normal expenditure is Rs 12,882/- showing an increase over the ~~increase~~ income as in last year While no economy seems to be possible under the various heads of expenditure, the expenditure on account

7416 - 1 Budget

of the Municipal High School continuing to be a burden, the President, is requested to explore the possibilities of the levy of suitable Taxes permissible under the Act or increase the levy of Shop Tax and House Tax on buildings not wholly utilised for residential purposes and the license fee on hotels The Budget Estimates of receipts and expenditure of the Municipal High School, should have been incorporated in the Budget estimates of the Municipality

As the belated submission of the Budget estimates serves no purpose, of either watching the receipts nor regulating the expenditure, the President is requested to avoid delay in the submission of the Budget estimates for the year 1952-53, which is just due now
